

**Beaumont A&M Mother's Club**  
**Merit Scholarships**  
***Information and Application***

This year the Beaumont A&M Mother's Club will award 9 merit-based scholarships. Scholarship distributions are made in two increments: half for the Fall semester and half for the Spring semester. Established criteria are used to select the recipients based on academics, leadership, employment, community services, and honors/awards. In the Spring of each year a selection committee will consist of members of the A&M Club and/or A&M Graduates. No one in the Aggie Mom's Club is on the committee.

The application for the scholarship consists of three parts:

1. Statement of Eligibility – signatures required by students.
2. Texas A&M University transcript- a computer generated transcript is acceptable; the transcript must include grades from the fall semester of the current academic year.
3. Activities summary – include only activities related to career at Texas A&M; do not include any activities related to high school career unless it impacts college career.

**Failure to provide all documentation and signatures as outlined will disqualify the applicant for consideration of award.**

**Application deadline: MARCH 7, 2014**

Mail completed application to:      Debbie Bevilacqua  
7724 Moonglow Circle  
Lumberton, TX 77657
